NLGA AEROSPACE COMMITTEE **Aerospace Affiliates Program** *As of January 2026*

The [National Lieutenant Governors Association \(NLGA\) State Strategies Committee on Aerospace](#), created in 2025, is the national body to advance aerospace, aviation, and defense in the states and territories. Aerospace Committee membership is comprised of lieutenant governors / seconds-in-command and their appointees to the Committee, representing public and governmental aerospace stakeholders.

Join the NLGA Aerospace Affiliates Program, share your expertise with these state leaders, and support this new national Committee advancing aerospace in the states/territories!

The NLGA Aerospace Affiliates Program is an opportunity for the private sector, corporations, nonprofits, associations, and other entities to collaborate and share their industry expertise with NLGA and the members of the Aerospace Committee. Benefits include complimentary registrations, opportunities for input on policy discussions and Committee work products, and the chance to build sustaining relationships with state government leaders and aerospace stakeholders.

Membership in the NLGA Aerospace Affiliates Program is \$10,000 annually, billed on a rolling basis based upon when the organization joins. **The Affiliates Program includes the following benefits, beginning January 2026:**

- Two complimentary registrations to the NLGA State-Federal Exchange on Aerospace, June 1-2, 2026, in Washington, D.C. (*convenings are closed to Affiliates and sponsors only – no open registrations available*)
- Invitation to participate in all virtual briefings or webinars, unless marked “Committee Members Only”
- Opportunity to submit suggested topics and speakers for virtual webinars and other Committee events
- Discounted sponsorships for additional benefits and registrations to Aerospace Committee Convenings
- Access to advance registered attendees lists one week prior to in-person Convenings
- Included in distribution of quarterly Aerospace Committee e-newsletter, sent to all NLGA Members, staff, and Aerospace Committee members
- Recognition year-round as a sustaining Aerospace Affiliate on the NLGA website, Convening signage, and written materials

NLGA Aerospace Committee Convenings are closed gatherings, limited to NLGA Members, Committee members, staff, Aerospace Affiliates, and sponsors. Aerospace Convenings do not have open registration, and the only way to attend is as an affiliate or sponsor.

For more information about the Aerospace Affiliates Program, contact Kellie Rittershausen, NLGA Executive Director, at kritters@nlga.us or 859-283-1400.

**Benefits subject to change. Any request and application to become an affiliate, sponsor, advertiser, or partner is subject to approval of the NLGA membership. Acceptance of an affiliate, sponsor, or advertisement does not constitute an endorsement by NLGA. Neither affiliates nor sponsors are eligible to vote in NLGA or the Aerospace Committee. NLGA maintains a limited number of affiliates in the Aerospace Affiliates Program any one time.*
