Indiana Lt. Governor
Suzanne Crouch

NEXT LEVEL CONNECTIONS BROADBAND GRANT PROGRAM

The State of Indiana allocated \$100 million for broadband expansion in 2019.

We allocated another \$250 million earlier this year.

NEXT LEVEL CONNECTIONS BROADBAND GRANT PROGRAM

To date, the State of Indiana has awarded \$79M in grants for broadband expansion.

Grants will bring internet access to nearly 22,000 unserved & underserved locations.

INDIANA CONNECTIVITY PROGRAM

A new program established through legislation this year.

Empowers Hoosiers by giving them a tool to request internet at their home or business.

INDIANA CONNECTIVITY PROGRAM

Our first application window had:

- 2,700 applicants
- Addresses from all 92 Hoosier counties
- 36% of addresses had a student in the home
- Program remains on-going

INDIANA SUBSIDY PROGRAM

NLC funds will also be made available for families with students.

Money will help offset the cost of at - home internet service.

It's All About Connections

Thank
you!
