3 **WHEREAS**, the members of the National Lieutenant Governors Association (NLGA) recognize many
4 members play key roles in issues regarding energy and environmental stewardship in the United States and
5 its territories, and

6 **WHEREAS**, energy and environmental stewardship efforts may enhance the lives of all Americans and
7 impact every aspect of life in America today including energy, the economy, community and building
8 design, agriculture, water and other resources, clean technology, the environment, transportation, social
9 problem-solving, job creation, education, health and healthcare, and more, and

10 **WHEREAS**, public officials every day face the challenge and responsibility of balancing development to
11 meet today's needs with the ability of future generations to meet their needs, and

12 **WHEREAS**, Baker Hughes, a GE Company, notes the global economy requires corporations to create
13 relationships by participating in energy and environmental stewardship in the communities in which they
14 operate, and

15 **WHEREAS**, Baker Hughes, a GE Company, is a long-time partner of the NLGA through its
16 public-private sector program, and

17 **NOW, THEREFORE, BE IT RESOLVED** the National Lieutenant Governors Association authorizes its
18 Director, under the direction annually of the Chair, to work with Baker Hughes, a GE Company, to present
19 a NLGA Public Leadership in Energy and Environmental Stewardship Award presented by Baker Hughes,
20 a GE Company, to a NLGA member recognizing their action on energy and/or environmental stewardship,
21 understanding that same will create no negative fiscal impact to NLGA.

ADOPTED, this day, the 29th of March, 2019.
